Join the Essex County Bar Association as it honors its members and others in the legal community who demonstrate the best among us and were among the firsts to hold many positions of prestige in the legal community.

Celebrating Black History began in 1926 as "Negro History Week" and was extended to a month long celebration in 1976 during the Bicentennial of the U.S.A. February is "Black History Month," and is a time to commemorate African-Americans who have changed the world.
